

Motion sensor LED night light

Features

- Up to 20 Lumen output, super bright SMD 2835 LED, bright enough to make sure you never stumble in the dark
- Auto-on within 10 feet, auto-off after 15 seconds of no motion detected helps prolong battery life
- Simple to install, no hard-wiring. With 3M adhesive pads and built-in magnet, you can stick on anywhere you like
- Powered by 3 x AAA batteries (not included) for coreless installation

Applications

- Suitable for Bedroom, Baby room, Closet, Cabinet, Corridor, Workshop, Basement, Garage, Stairwell, Depot, Roof, Door, Entrance and Storage areas
