Technical Specifications

Model	DSSORFD020	DSSORFD030	DSSORFD050	DSSORFD0100
LED light Source	LED 5730 40 0.5W	LED 5730 60 0.5W	LED 5730 81 0.5W	LED 5730 182 0.5W
Solar Panel	8W/6V	10W/6V	12W/6V	18W/6V
Battery	16280mWh	24420mWh	32560mWh	48840mWh
Light Size	L200*W175*H50mm	L215*W190*H50mm	L260*W230*H50mm	L295*W275*H55mm
Luminous flux (lm)	2000	3000	5000	10000
Lighting Area	40M ²	80M ²	100M ²	200M ²
Lamp body material	Die-cast aluminum alloy			
Protection index	IP65			
LED Driver	Solar dedicated controller			
Lamp efficacy(lm/W)	100			
Warranty period (years)	2			
Color rendering index (Ra>)	70			
Working Time	2-3 Rainy Days			
Lighting Area	-20~+60 C			
Work Mode	Automatic light control + infrared remote control
